

Riddell®

JET ND6

Riddell has forged its position as the head protection leader through continued innovation and has earned the trust of athletes, parents, coaches and team staff.

» The Jet ND6 is recommended for youth players up to junior high.

This helmet is certified to meet the NOCSAE Standard.

SE Certified

Product Meets
NOCSAE®
Applicable Standard

NEW ND6 HELMET CRITERIA

On February 7, 2025, the NOCSAE Standards Committee finalized the first ever performance standard for youth football helmets. The new standard directly addresses unique risk exposures for youth football players. For more information, visit <https://nocsae.org/overview-nocsae-youth-football-helmet-standard/> to read the full ND006 standard.

As Riddell strives to improve on-field protection and performance, **all Riddell ND6 helmets produced for the 2026 football season will meet the new standards set forth by NOCSAE, ahead of the effective date of September 1, 2027.**

ADVANCED ENERGY MANAGEMENT MATERIALS

Liner components use an enhanced urethane formula co-developed with BASF to optimize protective performance.

AIR FIT LINER SYSTEM

Inflatable back/neck/side bladder and inflatable jaw pads used for final adjustments for proper fit.

COMFORT OVERLINER

Removable, moisture-resistant liner cover with antimicrobial properties built-in to protect the product. Provides comfort and stability.

SIZE	HAT SIZE	APPROXIMATE HEAD CIRCUMFERENCE
XXS/XS	6 1/8 - 6 1/2	19 1/4" - 20 3/8"
S/M	6 5/8 - 7	20 3/4" - 22"
L/XL	7 1/8 - 7 1/2	22 3/8" - 23 1/2"

Inflation may be required for proper fit.

WARNING: NO HELMET CAN PREVENT SERIOUS HEAD OR NECK INJURIES A PLAYER MIGHT RECEIVE WHILE PARTICIPATING IN FOOTBALL. Do not use this helmet to butt, ram or spear an opposing player. This is in violation of the football rules and such use can result in severe head or neck injuries, paralysis or death to you and possible injury to your opponent. Contact in football may result in **CONCUSSION-BRAIN INJURY** which no helmet can prevent. Symptoms include: loss of consciousness or memory, dizziness, headache, nausea or confusion. If you have symptoms, immediately stop playing and report them to your coach, trainer and parents. Do not return to a game or practice until all symptoms are gone and you have received **MEDICAL CLEARANCE**. Ignoring this warning may lead to another and more serious or fatal brain injury.
